We are happy to assist you in doing so. However, in order to protect our rights, we ask you to comply with the following:

1. The TRADEMARK and LOGO may only be used in conjunction with the sale of the relevant Covestro original products. The retailer's own products or products from other companies may not be labelled with the TRADEMARK or LOGO.
2. Should the products be processed/repackaged, permission to use the TRADEMARK and the LOGO shall lapse in any event. If you assemble our products, please contact us.
3. When reproducing the LOGO, we ask you to use only the templates we provide. You can obtain these from Ms Nicole Meyer-Kurczyk, Marketing Communications Sheets EMEA, <mailto:nicole.meyer-kurczyk@covestro.com>
4. The TRADEMARK or LOGO may not be shown in direct proximity to your company name, be larger than your company name or be depicted in a more prominent position than your company name.
5. The TRADEMARK or LOGO must be sufficiently differentiated from other trademarks and logos from third-party vendors.
6. Whenever the TRADEMARK or LOGO is used, its status as a registered trademark must be indicated with the addition of the ® symbol. Each time the TRADEMARK is mentioned, the following information should also be given in a footnote: "[Makrolon®/Vivak®/Axpel®] is a registered trademark of Covestro Group". If the note refers to multiple trademarks, please include a note such as the following: "Makrolon®, Vivak® und Axpet® are registered trademarks of Covestro Group."
7. The TRADEMARK and LOGO may not be altered in any way. In particular, the TRADEMARK may not be used with plural or declined endings, as a verb or followed by a hyphen.
8. The use of other Covestro trademarks, product logos or company logos is not hereby permitted and requires separate prior agreement in writing from Covestro.
9. Any advertising claims regarding specific characteristics of Makrolon®, Vivak® or Axpet® products must be agreed with us in advance. It must also be ensured that no false impression of your role in selling our products or the relationship between the companies is created. Specifically, statements such as "specialist Makrolon® retailer", "exclusive Makrolon® retail" or registration and use of domain names containing "makrolon", "vivak" or "axpet" are absolutely not permitted.
10. These guidelines do not guarantee any ownership or other rights to Covestro trademarks. In order to protect our rights, in case of non-compliance with these

guidelines, we reserve the right to take action and assert our claims where necessary in a court of law.

11. A reference to "Bayer" or other trademarks and company symbols of the Bayer group is not permitted when selling Covestro products.

Should you have any additional queries regarding implementation, please do not hesitate to contact us.

We would be delighted if you could send a sample of your advertising materials and/or a link to the relevant website where the TRADEMARK or LOGO is being used to the following address:
